# LETTER FROM THE PRESIDENT AND CEO OF USC ARCADIA HOSPITAL

## IKENNA “IKE” MMEJE

President and CEO

Welcome to our 34<sup>th</sup> Crystal Ball celebration! Tonight, we have the honor of recognizing Dr. Heiner Vogelbach for his many contributions and support to our patients and our community. His leadership and compassionate care for his patients are nothing short of remarkable.

Dr. Heiner Vogelbach is loved by many in our community, and we are excited to have so many of our esteemed donors and his patients joining us this evening to celebrate him as our 2023 honoree! Dr. Vogelbach is the first physician to receive such an honor for his generous support and his leadership in co-chairing and chairing Crystal Ball in past years, raising millions of dollars in support of USC Arcadia Hospital.

I also want to recognize Co-Chairs, Angel Throop and Melinda Rogers and the members of the 2023 Crystal Ball committee for the outstanding work they’ve done to make this year’s gala a tremendous success!

A special thanks to you, our generous donors, and sponsors for the continued support of USC Arcadia Hospital Foundation, which has enabled USC Arcadia Hospital to continue its mission of providing “high-quality healing services while caring for our patient’s emotional and spiritual needs and enabling them to achieve health for life.” Our facility is equipped to handle virtually every medical situation thanks to the compassion and philanthropic support of our friends like you.

Together we are limitless.

## LETTER FROM THE USC ARCADIA HOSPITAL FOUNDATION PRESIDENT

### MIKE DRIEBE

President

Welcome to the 34<sup>th</sup> Annual Crystal Ball! You're in for a wonderful evening in support of USC Arcadia Hospital. This event couldn't have happened without you, our guests, and sponsors. Your support enables us to continue to provide world-class healthcare here in the San Gabriel Valley, and that means everything to our patients, their families, and the community!

Tonight, we are honored to recognize Dr. Heiner Vogelbach, the first physician to ever receive this honor at Crystal Ball. Dr. Vogelbach has supported USC Arcadia Hospital, his patients, and our community for decades. You'll learn more about Heiner tonight and I am excited we can celebrate with him.

I also want to recognize the members of our 34th Annual Crystal Ball Committee and our Co-Chairs, Angel Throop and Melinda Rogers. They did an outstanding job to make tonight's gala a resounding success, and I want to offer my heartfelt thanks to each of them for their leadership and generosity.

Finally, you should know this event will benefit the purchase of a second Bi-plane Imaging System, replacing a 30-year-old model. Bi-plane imaging provides life-saving treatment, and you'll learn about one such patient this evening.

Thank you so very much for being with us and for your generous support!

## LETTER FROM THE USC ARCADIA HOSPITAL FOUNDATION CHAIR

### W. RICHARD BUKATA, M.D.

Chairman of the Board

Welcome to the 34th Annual Crystal Ball. On behalf of the USC Arcadia Hospital Foundation Board, I want to extend my sincere gratitude for your generous support of USC Arcadia Hospital through your attendance and sponsorship at this event.

USC Arcadia Hospital is undergoing a historic and major transition between our affiliation with USC and our new leadership team. The future is extraordinarily bright and already the hospital is receiving significant recognition from surveyors and regulators. The administration's emphasis on creating a world-class Emergency Room will be much helped by the acquisition of a new state-of-the-art CT scanner – a scanner that so many of you made possible at last year's gala.

A very special acknowledgement to our honoree, Dr. K. Heiner Vogelbach. Dr. Vogelbach is perhaps the most well-known cardiologist on our Medical Staff. He has touched the lives of literally thousands of members of our community with his kindness and caring. In addition, Dr. Vogelbach has been a leader of our Medical Staff and a supporter of our hospital as it has evolved over the decades. Congratulations Dr. Vogelbach.

## LETTER FROM THE USC ARCADIA HOSPITAL FOUNDATION CO-CHAIRS

### ANGEL THROOP & MELINDA ROGERS

CO-Chairs

Welcome to the 34th Annual Crystal Ball of USC Arcadia Hospital Foundation in support of USC Arcadia Hospital! Thank you all for being here and for your generous support!

Your attendance, sponsorship and support of the Crystal Ball will enable USC Arcadia Hospital to maintain the high-quality standard of care they continue to provide to all of us. Your kind support demonstrates to the hospital's doctors, nurses, staff, and volunteers that they are appreciated for their tireless work, commitment, care and compassion! They are a truly a blessing to our community and to USC Arcadia Hospital!

Tonight we are honoring Dr. K. Heiner Vogelbach for his continued generosity and dedication to the hospital and his patients. Dr. Vogelbach is a compassionate and caring physician loved by many, and the honor tonight is well deserved! He has touched so many lives and his commitment and generosity to the hospital had been unending! He is loved and respected by all and continues to be a shining star! Congratulations Dr. Vogelbach! We are honored to honor you!

Thank you to this year's Crystal Ball committee members. They have all donated their time and talents to make this Crystal Ball a beautiful, fun event and a huge success!

Finally, we want to extend our sincerest thanks to all of you here tonight for investing in USC Arcadia Hospital and the patients and their families!

## BENEFITTING THE PURCHASE OF A NEW BI-PLANE IMAGING SYSTEM

USC Arcadia Hospital has a widely recognized reputation for being a center of excellence for stroke and heart care. We are fully accredited as a comprehensive stroke center and have been designated by L.A. County Emergency Medical Services as a heart attack receiving center and a comprehensive stroke center.

This means that USC Arcadia Hospital is prepared to fully treat all stroke patients onsite with the most advanced, appropriate level of care. Such comprehensive care includes not only diagnosis and treatment by highly specialized physicians, but also the use of equipment and technology that enables our physicians to perform highly complex procedures, including clot extraction and coiling of aneurysms.

Annually, USC Arcadia Hospital treats more than 2,000 patients in our angiography suites, providing life-saving procedures to stroke as well as heart attack patients, with patient volumes continuing to rise. Based on increasing demand for high-level neurological imaging services, we need to acquire an additional Bi-Plane Imaging System to help achieve this goal, as well as the capacity to serve a growing demand for cardiac services. A second Bi-Plane Imaging System is a key piece of equipment necessary for performing these life-saving procedures. The cost of acquiring this state-of -the-art equipment is approximately \$3.5 million.

The proceeds of our 34th Crystal Ball will go toward the purchase of this new technology. Your support tonight helps us continue our mission “to provide high-quality healing services while caring for the patient’s emotional and spiritual needs and enabling them to achieve health for life.”

# 2023 HONOREE

## DR. K. HEINER VOGELBACH

Karl-Heinrich Vogelbach arrived in the United States in 1973 from Germany after graduating from the medical school at Ludwig-Maximilians-Universitat-Muenchen and completing his medical internship at the University clinic. Heiner felt a strong sense of 'wanderlust' and was not quite ready to settle down in good, old Bavaria.

On very short notice, Heiner decided to accept a one-year internship in Milwaukee to advance his medical career and development. The abundance of tennis and golf in the area played no part in Heiner's impulsive decision, however!

How time flew and one short yearlong internship quickly turned into 50 years! So, what happened? Heiner loved life in the USA from day one, but most importantly, he met the love of his life only a few days after his arrival. As they say, it truly was "Love at first sight!"

They married shortly thereafter in New Orleans, where Heiner was completing his residency at Tulane. They moved to Pasadena next after Heiner was accepted for a Cardiology fellowship at the University of Southern California. Andrew, the first "true" American in the family, was born in the following years and is the sunshine of their life.

Heiner began his career as the Director of Cardiology at St. Luke Hospital in 1978. After founding Southern California Heart Specialists, he started practicing at Methodist Hospital more than 30 years ago. Heiner had the privilege to serve as Director of Cardiology and Chief of the Medical Section at Methodist and as a Board member of the Foundation for more than 12 years.

Heiner immediately got very involved in fundraising for Methodist. He was acutely aware that the hospital needed to receive the philanthropic support of the local community to become a cutting-edge facility. Heiner considers the hospital to be his "home away from home."

He has either chaired or co-chaired the Crystal Ball event three times and helped in raising critical funds for the technical innovations at the Cath Lab and other hospital departments. Heiner greatly benefited from the new technology himself when a prompt cancer diagnosis saved his life 12 years ago. The family has supported the hospital over the years, always keeping in mind that "you never know when you may end up needing these services."

Heiner is extremely touched to be the first physician to be named as the Crystal Ball Honoree. As a cardiologist and loyal Trojan, he is very excited to raise funds for a new Bi-Plane Scanner for the hospital. Heiner is grateful for the outstanding support of colleagues, nurses, friends, and so many patients for this event. He hopes that this event will be another opportunity to highlight the great care USC Arcadia Hospital provides for our community.

Dr. Heiner Vogelbach's family home back in Augsburg Germany. Circa Sept. 2021.

# ENTERTAINMENT

## BIG BAD VOODOO DADDY

Famously named after an autograph by blues legend Albert Collins — has appeared in concert venues across the world, sold millions of records, and had their music appear in hundreds of movies and television shows.

With sold out concerts from the Hollywood Bowl to Lincoln Center, appearances with many of the country’s finest symphony orchestras, and television appearances ranging from Dancing with the Stars to Superbowl XXXIII, Big Bad Voodoo Daddy continues its decades long mission to celebrate and revitalize jazz and swing music — America’s original musical art form — and bring joy to audiences around the world.

Arcadia, California 91007

Dear Friends:

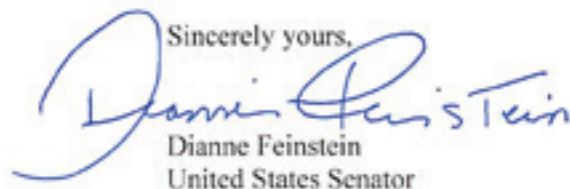

It gives me great pleasure to extend my warmest greetings to all who have gathered for University of Southern California (USC) Arcadia Hospital Foundation's 34<sup>th</sup> Annual Crystal Ball!

Since its inception, USC Arcadia Hospital Foundation has devoted itself to supporting the comprehensive healthcare services provided by USC Arcadia Hospital. Through its emphasis on philanthropy and fundraising events, the Foundation has ensured that the Hospital continues to be a first-rate facility. There is no doubt that its outstanding efforts will continue to benefit countless individuals for many years to come.

I would also like to take this opportunity to recognize tonight's honoree: Dr. K. Heiner Vogelbach. He has proven himself to be a leader of the highest caliber and an outstanding community servant. His dedication and contributions to USC Arcadia Hospital serves as an inspiration to us all.

As your United States Senator representing the State of California, I commend the USC Arcadia Hospital Foundation and tonight's honoree for their tremendous achievements and contributions. Please accept my best wishes for a most memorable event.

With warmest personal regards,

Sincerely yours,  
  
Dianne Feinstein  
United States Senator

USC Arcadia Hospital Foundation  
300 West Huntington Drive  
Arcadia, CA 91066

Dear USC Arcadia Hospital Foundation:

It is a great honor and pleasure to congratulate USC Arcadia Hospital Foundation on its 34<sup>th</sup> Crystal Ball and Dr. K. Heiner Vogelbach!

Tonight, USC Arcadia Hospital will honor Dr. K. Heiner Vogelbach for his many years of service in the field of medicine. For the past 30 years, Dr. Vogelbach has held many leadership positions within the hospital and community, as Director of Cardiology and Chairman of the Medicine Department. He was also involved in fundraising for the hospital and has chaired the Crystal Ball on many occasions. His determination has made USC Arcadia Hospital one of the most cutting-edge facilities in the area.

Once again, congratulations to Dr. K. Heiner Vogelbach and to the USC Arcadia Hospital Foundation and thank you to those who worked hard to make this event a tremendous success.

Warmest regards,
